"Why is it that **your work is so utterly relevant to what the world needs** that anytime I write something, your music becomes an essential reference?" Burt Danet, PhD - A Better Community For All (ABC4All – California)

LIFE IS SUPPOSED TO BE FUN!

Life is supposed to be fun
Life is supposed to feel good now
Don't live it all on the run
Life is supposed to be fun

Life is supposed to feel good
Life is supposed to bring you joy
Freedom to choose what you would
Life is supposed to feel good

IT'S A GOOD DAY

The sun is shining
My heart is beating
It's a good day

The world is spinning
My heart is singing
It's a good day

And when it's raining
No use complaining
Make it a good day
It's a good day
To be alive

When confronted with a situation that appears fragmented or impossible, step back, close your eyes, go to the inner place where problems cannot enter, and abide in the consciousness of well-being
Alan Cohen ~ daily inspiration

Bridge

It's a good day,
It's a good day
Thoughts are flowing
It's a good day
Though I don't know
Where I'm going

The sun is shining
My heart is beating
It's a good day

The world is spinning
Birds are singing
It's a good day

And when it's raining
No use complaining
Make it a good day
It's a good day
It's a good day
It's a good day
It's a good day
To be alive
Cuz I'm alive

TELL A DIFFERENT STORY

*Everything always comes my way, everything comes to me
All that I want always comes my way, everything comes to me*

Verse 1

When I tell it like I want it to be
Tell it like I want it to be
When I tell it like I want it to be
I get it like I want it to be

Verse 2

So I tell it like I want it to be
And tell a different story
If I want to change my reality
I've gotta tell a different story

Bridge

Energy flows where attention goes
So tell it like you want it
Believe it and expect it

Verse 3

And tell it like you want it to be
Tell it like you want it to be
When you tell it like you want it to be
You get it like you want it to be

So tell it like you want it to be
And tell a different story
When you want to change your reality
You've gotta tell a different story

*If you want to change your reality
You've gotta tell a different story*

Choices Choices Choices

Verse 1

Somedays the rain must fall
But I won't care at all
I'll walk between the drops
And I won't get wet

Verse 2

Somedays don't seem to flow
To where I want to go
So I redirect my thoughts
To things I love a lot

Chorus

Choices, choices, choices
It all depends on me
I can choose to struggle
Or choose to be free

Verse 3

Good feels good and bad feels bad
It's easy when you know
To look for things
That make you glad and
Get back in the flow

Chorus

Choices, choices, choices
It all depends on me
I can choose to struggle
Or choose to be free

Chorus

Choices, choices, choices
It's really up to me
To let go of the struggle
By knowing I am free

Every thought you have ever thought and
every choice you have ever made has brought
you to this 'present moment'

‘fill your calendar with happy things’

Look for reasons to feel good

Look for reasons to feel good

Look for reasons to be happy

Look for things that make you smile

Look and see the beauty

When every now and then

I lose my way again

Without a plan, with no direction

I feel lost and alone

Must find my way back home

Find my way back to connection

The best that I can do

Is to remember to...

Look for reasons to feel good

Look for reasons to be happy

Look for things that make me smile

Look and see the beauty

Look for reasons to be happy

'LIGHTEN UP!'

Lighten up your life today
Look for joy, go out and play
Lighten up!

Lighten up your heart and say
I can be happy anyway
Lighten up!

Take it easy, take it slow
Plant a seed and let it grow
We're never done so what's the rush
Just relax and lighten up!

Lighten up your life today
Look for joy, go out and play
Lighten up!
